Attitudes In Reverse® (AIR™) is a 501(c)(3) non-profit and all donations are tax deductible.

The mission of Attitudes In Reverse® (AIR™) is to educate society about mental health. People need to know that the best suicide prevention plan is a good mental health awareness program. In addition, AIR tries to educate that ALL people should be treated with dignity, respect, and understanding, no matter what illness they might have. If people “act different” there is a very good chance that there is a diagnosed or non-diagnosed mental health disorder, and should NOT to be judged or criticized.

AIR is supported solely by private donations through individuals, corporations, foundations and grants. For more information please go to www.attitudesinreverse.org.
