

INTEGRATED HEALTHCARE COUNCIL APPLICATION

The New Jersey Association of Mental Health and Addiction Agencies Inc. (NJAMHAA) facilitates an Integrated Healthcare Council, in an effort to provide avenues to foster partnerships between a variety of companies offering products and services to behavioral healthcare providers. The NJAMHAA provider organization members represent most of the behavioral healthcare providers in New Jersey and may be found in every county and almost every community statewide. They serve more than 500,000 children and adults each year and employ a significant segment of the state's workforce.
