

TECHNOLOGY COUNCIL MEMBERSHIP APPLICATION

By joining the NJAMHAA Technology Council, you will have direct access to our members – 160 nonprofit mental health, substance use, developmental disability, residential and human service agencies throughout New Jersey that treat individuals of all ages with mental illnesses, substance use disorders, developmental disabilities and co-occurring disorders. In addition, for more than 30 years, NJAMHAA has been in partnership with the N.J. State Division of Mental Health and Addiction Services through the NJAMHAA Information Technology Project. The NJAMHAA Information Technology Council will enable your company to share information and network with the agencies that are providing mental healthcare and substance abuse treatment services in New Jersey.

Please provide NJAMHAA with the following information:
