

Life Sciences and Innovation Council Benefits of Membership

- **Subscriptions to informative publications**
 - *NJAMHAA Newswire*: Published three times each week, this newsletter provides up-to-date information on state and federal budgets, legislation and regulations that impact the mental health, substance abuse and developmental disabilities communities; funding, business development and training opportunities; trends in the behavioral healthcare, pharmaceutical and life sciences industries; and more.
 - *NJAMHAA News*: Published quarterly, this publication features the activities and achievements of NJAMHAA members, including Life Sciences and Innovation Council members, and provides details on upcoming NJAMHAA Life Sciences and Innovation events, as well as highlights on recent past events and the impact of NJAMHAA staff's initiatives.
 - *Bits & Bytes*: Published biannually, this newsletter provides valuable tips to keep your information technology (IT) systems working safely and efficiently, as well as important news related to IT and the behavioral healthcare field, such as HIPAA security and electronic records.

- **Visibility in publications and at events**
 - As a member, you are more than welcome to share your organization's information in *Newswire* and *NJAMHAA News*. Please contact Managing Editor Shauna Moses with information at any time. Shauna would also like to interview you and others at your organization and develop a feature article for *NJAMHAA News*. She can be reached at 609-838-5488, ext. 204, or smoses@njamhaa.org.
 - In addition, you can advertise in *NJAMHAA News* at discounted membership rates. Please contact Shauna for these details, as well.
 - Prime opportunities to sponsor and exhibit at several conferences throughout the year, at discounted rates, as well as present educational workshops
 - Complimentary access to NJAMHAA's facility to conduct educational sessions

- **Partnership on advocacy and education initiatives**
 - Effective lobbying and advocacy at the state and national levels on issues of mutual interest
 - Opportunity to develop strategies and solutions regarding issues of mutual interest with NJAMHAA member agencies, other behavioral health stakeholders and state government officials
